SUBJECT INDEX, VOLUME 23, 2003

A

ACCESSIBILITY OF DENTAL CARE
Letter to the editor. Richter, M.K. 124
Oral health needs and access to dental care of homeless adults in the United States: a review. King, T.B., *et al.* 143

AGED
Assessing prosthodontic dental treatment needs in older adults in Thailand: normative and sociodental approaches. Srisilapanan, P., *et al.* 131
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86
Irrigational therapy of a dentigerous cyst in a geriatric patient: a case report. Nishide, N., *et al.* 70
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50
Philosophical approach in old adults dental treatment (Editorial). Nisizaki S. 4

AGED, 80 AND OVER
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50

AGING
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199

ANEMIA
Unprovoked periodontal hemorrhage, life-threatening anemia and idiopathic thrombocytopenia purpura: an unusual case report. Owais, Z., *et al.* 58

ANESTHESIA, DENTAL
Clinical study of anesthetic management during dental treatment of 25 patients with cardiomyopathy. Shibuya, M., *et al.* 216

ANESTHESIA, GENERAL
General anesthesia for developmentally disabled dental care patients: a comparison of reinforced laryngeal mask airway and endotracheal intubation anesthesia. Hung, W.-T., *et al.* 135

ANTIBODIES, MONOCLONAL
Leukemic gingival infiltrate as an indicator of chemotherapeutic failure following monoclonal antibody therapy: a case report. Sollecito, T.P., *et al.* 108

B

BOOK REVIEWS
Ozar, D.T. 73
Sokol, D.J. 73

C

C-REACTIVE PROTEIN
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125

CARDIOMYOPATHIES
Clinical study of anesthetic management during dental treatment of 25 patients with cardiomyopathy. Shibuya, M., *et al.* 216

CARDIOVASCULAR DISEASES
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125

CHEWING GUM
Chlorhexidine and xylitol gum in caries prevention. Anderson, M. 173
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the prevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160

CHLORHEXIDINE
Chlorhexidine and xylitol gum in caries prevention. Anderson, M. 173
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the prevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

CHOLESTEROL
Smith-Lemli-Opitz syndrome: a review, case report and dental implications. Muzzin, K.B., *et al.* 22

CLASSIFIED ADVERTISING 35, 74, 117, 148, 189, 238

COMPARISON STUDIES
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180

CRANIOFACIAL ABNORMALITIES
Smith-Lemli-Opitz syndrome: a review, case report and dental implications. Muzzin, K.B., *et al.* 22

D

DECISION MAKING
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168

DELIVERY OF DENTAL CARE
Clinical study of anesthetic management during dental treatment of 25 patients with cardiomyopathy. Shibuya, M., *et al.* 216
General anesthesia for developmentally disabled dental care patients: a comparison of reinforced laryngeal mask airway and endotracheal intubation anesthesia. Hung, W.-T., *et al.* 135
Oral health needs and access to dental care of homeless adults in the United States: a review. King, T.B., *et al.* 143

DEMENTIA
Oral diseases and conditions in community-living older adults with and without dementia. Chalmers, J.M., *et al.* 7

DENTAL CARE FOR DISABLED
Chlorhexidine and xylitol gum in caries prevention. Anderson, M. 173
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the prevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160
Preventing dental disease for people with special needs: the need for practical preventive protocols for use in community settings. Glassman, P., *et al.* 165
Smith-Lemli-Opitz syndrome: a review, case report and dental implications. Muzzin, K.B., *et al.* 22
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

DENTAL CARIES
Chlorhexidine and xylitol gum in caries prevention. Anderson, M. 173
Dental status of women with gestational diabetes on a Greek island. Mittas, E., *et al.* 46
Explorer probing of root caries lesions: an in vitro study. Warren, J.J., *et al.* 18
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168
Oral diseases and conditions in community-living older adults with and without dementia. Chalmers, J.M., *et al.* 7
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199
Prevalence and predictors of untreated caries and oral pain among Special Olympic athletes. Reid, B.C., *et al.* 139
The use of topical fluoride to prevent or reverse dental caries. Jabocsen, P., *et al.* 177

DENTAL ENAMEL
GERD - a silent disease (Editorial). Ettinger, R. 197

DENTAL EROSION
GERD - a silent disease (Editorial). Ettinger, R. 197

DENTAL HEALTH EDUCATION
The effect of an oral health education program after three years. Paulsson, G., *et al.* 63
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

DENTAL HEALTH SURVEYS
Assessing prosthodontic dental treatment needs in older adults in Thailand: normative and sociodental approaches. Srisilapanan, P., *et al.* 131
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86
Prevalence and predictors of untreated caries and oral pain among Special Olympic athletes. Reid, B.C., *et al.* 139

DENTAL IMPLANTS
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

DENTAL PLAQUE
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

DENTIGEROUS CYST
Irrigational therapy of a dentigerous cyst in a geriatric patient: a case report. Nishide, N., *et al.* 70

DENTISTS
Should dentists be included as members of the hospice care team? (Editorial) Wilwert, W. 84

DENTURE, COMPLETE
Assessing prosthodontic dental treatment needs in older adults in Thailand: normative and sociodental approaches. Srisilapanan, P., *et al.* 131

DEVELOPMENTALLY DISABLED
General anesthesia for developmentally disabled dental care patients: a comparison of reinforced laryngeal mask airway and endotracheal intubation anesthesia. Hung, W.-T., *et al.* 135
Prevalence and predictors of untreated caries and oral pain among Special Olympic athletes. Reid, B.C., *et al.* 139

DIABETES MELLITUS
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199

DIABETES, GESTATIONAL
Dental status of women with gestational diabetes on a Greek island. Mittas, E., *et al.* 46

DISABLED PERSONS
Chlorhexidine and xylitol gum in caries prevention. Anderson, M. 173
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
General anesthesia for developmentally disabled dental care patients: a comparison of reinforced laryngeal mask airway and endotracheal intubation anesthesia. Hung, W.-T., *et al.* 135
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the prevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160
Preventing dental disease for people with special needs: the need for practical preventive protocols for use in community settings. Glassman, P., *et al.* 165
Prevalence and predictors of untreated caries and oral pain among Special Olympic athletes. Reid, B.C., *et al.* 139
Special Olympics: the oral health status of U.S. athletes compared with international athletes. Reid, B.C., *et al.* 230

Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

DOWN SYNDROME
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

E

EDENTULOUSNESS
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199

EDITORIAL 4, 44, 84, 197

EDUCATION, NURSING, CONTINUING
The effect of an oral health education program after three years. Paulsson, G., *et al.* 63

ELDERLY
Assessing prosthodontic dental treatment needs in older adults in Thailand: normative and sociodental approaches. Srisilapanan, P., *et al.* 131
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86
Irrigational therapy of a dentigerous cyst in a geriatric patient: a case report. Nishide, N., *et al.* 70
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209
Oral diseases and conditions in community-living older adults with and without dementia. Chalmers, J.M., *et al.* 7
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125
Philosophical approach in old adults dental treatment (Editorial). Nisizaki, S. 4
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50

ELDERLY, 75 AND OVER
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199

EVIDENCE-BASED MEDICINE
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168

EXTRAMEDULLARY DISEASES
Leukemic gingival infiltrate as an indicator of chemotherapeutic failure following monoclonal antibody therapy: a case report. Sollecito, T.P., *et al.* 108

F

FACIAL PARALYSIS
Management of a patient with Mobius syndrome: a case report. Ha, C.Y., *et al.* 111

FEAR
Clinical study of anesthetic management during dental treatment of 25 patients with cardiomyopathy. Shibuya, M., *et al.* 216

FLUORIDES
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180

FLUORIDES, TOPICAL
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the prevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160
The use of topical fluoride to prevent or reverse dental caries. Jabocsen, P., *et al.* 177

FOLLOW-UP STUDIES
The effect of an oral health education program after three years. Paulsson, G., *et al.* 63

FRAIL ELDERLY
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209

G

GASTROESOPHAGEAL REFLUX DISEASE
GERD - a silent disease (Editorial). Ettinger, R. 197

GEMTUZUMAB OZOGAMICIN
Leukemic gingival infiltrate as an indicator of chemotherapeutic failure following monoclonal antibody therapy: a case report. Sollecito, T.P., *et al.* 108

GIANT CELL TUMORS
Oral manifestations of renal osteodystrophy: case report and review of the literature. Antonelli, J.R., *et al.* 28

GINGIVAL RECESSION
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50

GINGIVITIS
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

GREECE
Dental status of women with gestational diabetes on a Greek island. Mittas, E., *et al.* 46

H

HEAD AND NECK NEOPLASMS
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

HEALTH CARE PROGRAMS
Oral health needs and access to dental care of homeless adults in the United States: a review. King, T.B., *et al.* 143

HEALTHY ATHLETES SPECIAL SMILES PROGRAM
Special Olympics: the oral health status of U.S. athletes compared with international athletes. Reid, B.C., *et al.* 230

HOME CARE SERVICES
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209

HOMELESS
Oral health needs and access to dental care of homeless adults in the United States: a review. King, T.B., *et al.* 143

HOSPICE CARE TEAM
Should dentists be included as members of the hospice care team? (Editorial) Wilwert, M. 84

HYPERBARIC OXYGENATION
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

HYPERPARATHYROIDISM, SECONDARY
Oral manifestations of renal osteodystrophy: case report and review of the literature. Antonelli, J.R., *et al.* 28

I

IATROGENIC DISEASES
Explorer probing of root caries lesions: an in vitro study. Warren, J.J., *et al.* 18

IMMUNOCONJUGATES
Leukemic gingival infiltrate as an indicator of chemotherapeutic failure following monoclonal antibody therapy: a case report. Sollecito, T.P., *et al.* 108

INFECTION CONTROL
Methicillin-resistant Staphylococcus aureus and infection control for restorative dental treatment in nursing homes. Hall, D.L. 100

INSTITUTIONALZED PERSONS
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199

IRRIGATIONAL THERAPY
Irrigational therapy of a dentigerous cyst in a geriatric patient: a case report. Nishide, N., *et al.* 70

K

KUWAIT
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

L

LETTER TO THE EDITOR, 124

LEUKEMIA, MYELOGENOUS, ACUTE
Leukemic gingival infiltrate as an indicator of chemotherapeutic failure following monoclonal antibody therapy: a case report. Sollecito, T.P., *et al.* 108

M

MENTAL RETARDATION
Special Olympics: the oral health status of U.S. athletes compared with international athletes. Reid, B.C., *et al.* 230

METABOLISM, INBORN ERRORS
Smith-Lemli-Opitz syndrome: a review, case report and dental implications. Muzzin, K.B., *et al.* 22

MINI-NUTRITIONAL ASSESSMENT
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209

MOBIUS SYNDROME
Management of a patient with Mobius syndrome: a case report. Ha, C.Y., *et al.* 111

MORTALITY, CARDIOVASCULAR-RELATED
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125

MOUTHWASHES
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Practice protocols for the perevention of dental disease in community settings for people with special needs: the protocols. Glassman, P., *et al.* 160
The use of topical fluoride to prevent or reverse dental caries. Jabocsen, P., *et al.* 177
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

N

NURSING HOMES
Methicillin-resistant Staphylococcus aureus and infection control for restorative dental treatment in nursing homes. Hall, D.L. 100

NURSING STAFF
The effect of an oral health education program after three years. Paulsson, G., *et al.* 63

NUTRITIONAL STATUS
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209

O

OPERATIVE DENTISTRY
Explorer probing of root caries lesions: an in vitro study. Warren, J.J., *et al.* 18

ORAL HEALTH
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Preventing dental disease for people with special needs: the need for practical preventive protocols for use in community settings. Glassman, P., *et al.* 165

ORAL HEALTH EDUCATION
The effect of an oral health education program after three years. Paulsson, G., *et al.* 63

ORAL HEALTH SURVEYS
Dental status of women with gestational diabetes on a Greek island. Mittas, E., *et al.* 46
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86
Oral and nutritional status in frail elderly. Soini, H., *et al.* 209
Oral diseases and conditions in community-living older adults with and without dementia. Chalmers, J.M., *et al.* 7

Oral health needs and access to dental care of homeless adults in the United States: a review. King, T.B., *et al.* 143
Special Olympics: the oral health status of U.S. athletes compared with international athletes. Reid, B.C., *et al.* 230

ORAL HEMORRHAGE
Unprovoked periodontal hemorrhage, life-threatening anemia and idiopathic thrombocytopenia purpura: an unusual case report. Owais, Z., *et al.* 58

ORAL HYGIENE
Supervised toothbrushing and oral health education program in Kuwait for children and young adults with Down syndrome. Shyama, M., *et al.* 94

ORAL MANIFESTATIONS
Oral manifestations of renal osteodystrophy: case report and review of the literature. Antonelli, J.R., *et al.* 28

ORGANIZATIONS, PROFESSIONAL
Strength in numbers - the importance of joining professional organizations (Editorial). Bramson, J.B. 44

OSTEORADIONECROSIS
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

P

PAIN, ORAL
Prevalence and predictors of untreated caries and oral pain among Special Olympic athletes. Reid, B.C., *et al.* 139

PATIENT CARE MANAGEMENT
Clinical study of anesthetic management during dental treatment of 25 patients with cardiomyopathy. Shibuya, M., *et al.* 216

PATIENT CARE PLANNING
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168
Philosophical approach in old adults dental treatment (Editorial). Nisizaki, S. 4

PERCEIVED NEEDS
Assessing prosthodontic dental treatment needs in older adults in Thailand: normative and sociodental approaches. Srisilapanan, P., *et al.* 131

PERIODONTAL ATTACHMENT LOSS
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50

PERIODONTAL DISEASES
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168
Oral disorders and chronic systemic diseases in very old adults living in institutions. Maupomé, G., *et al.* 199
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50
Unprovoked periodontal hemorrhage, life-threatening anemia and idiopathic thrombocytopenia purpura: an unusual case report. Owais, Z., *et al.* 58
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

PERIODONTAL POCKETS
The prevalence of periodontal diseases measures in elderly adults, aged 79 and older. Levy, S.M., *et al.* 50

PERIODONTITIS
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

PRACTICE PROTOCOLS
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

PREVENTIVE DENTISTRY
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157
Preventing dental disease for people with special needs: the need for practical preventive protocols for use in community settings. Glassman, P., *et al.* 165
Using community-based protocols to prevent dental disease in people with special needs: periodontal prevention and intervention. Schonfeld, S.E. 187

PURPURA, THROMBOCYTPENIC, IDIOPATHIC
Unprovoked periodontal hemorrhage, life-threatening anemia and idiopathic thrombocytopenia purpura: an unusual case report. Owais, Z., *et al.* 58

Q

QUALITY OF LIFE
Dental status, xerostomia and the oral health-related quality of life of an elderly institutionalized populations. Locker, D. 86

R

RADIATION EFFECTS
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

RENAL OSTEODYSTROPHY
Oral manifestations of renal osteodystrophy: case report and review of the literature. Antonelli, J.R., *et al.* 28

RESTORATIVE DENTISTRY
Methicillin-resistant Staphylococcus aureus and infection control for restorative dental treatment in nursing homes. Hall, D.L. 100

REVIEW LITERATURE
Dental implants for patients who have had radiation treatment for head and neck cancer. Harrison, J.S., *et al.* 223

RISK FACTORS
Fluoride varnish for caries prevention: comparisons with other preventive agents and recommendations for a community-based protocol. Weintraub, J.A. 180
Making clinical decisions for dental care: concepts to consider. White, B.A., *et al.* 168
Periodontal disease and mortality in an aged population. Ajwani, S., *et al.* 125
Practice protocols for the prevention of dental disease in community settings for people with special needs: preface. Glassman, P. 157

S
